AMENDMENT UNDER 37 C.F.R. §1.111

Sir:

In response to the Office Action mailed June 7, 2004, please amend the above-identified patent application as follows:

IN THE SPECIFICATION:

Please substitute the attached substitute specification for the originally filed specification. The substitute specification is identical to the originally filed specification except that the margins of the substitute specification are different. Therefore, no new matter is presented in the substitute specification.

IN THE CLAIMS:

Please amend the claims as follows:
